

El Paso Juniors Red Shirt Program

“Red Shirt” is the same term used in college sports, where a player attends all workouts and training sessions, but does not compete with the team in games/tournaments. In the past, there have been families who want their daughter to be trained, but do not want them attending the weekend tournaments. This player will attend training sessions, but will not incur the expenses of traveling to tournaments.

The 2015-2016 tuition for all red shirt players (12s-18s) is \$150 / month.

The tuition amount must be paid at the beginning of the month and is only good for month participating.

6 Monthly installments of \$150 between the months of November 1st and April 1st is less than any club team fee around.

All Red Shirt players will train 2 times per week. Red Shirt players will not participate in any tournament play.

IF tournament play is requested by the coach, fee will be \$50 / tournament.
